

Application for the post of Member for MBA-HRM Placement

Committee 2021-2022

Name: Abhijit Mishra

Roll Number: UH20003

Statement of Purpose:

From my first interaction with CAS, I had realized the amount of hard work, diligence, dedication, and preparation is being put by the coordinators and core members of CAS. So when I got the opportunity to apply for the committee's shadow position, I never had a second thought about it; I knew that this is the place where my ability to communicate and coordinate will be useful to the entire batch. I am a dedicated, hardworking individual with just one goal in my mind apart from managing academics. It is to work towards 100% placement of the entire batch of 2020-2022 and SIP of the batch of 2021-2023 to ensure that my batch mates and the upcoming batch gets ample opportunities in various business sectors, and I will not shy to put my heart and soul for it. I believe in deeds, not words. I got the opportunity to be a part of 3 SIP and three final processes under Xuberence. I have performed to the best of my abilities with whatever responsibilities I have been assigned. Given the opportunity, I will continue to put my best efforts for the entire batch following the mantra "ACTA NON-VERBA".
