

## Application for post of Coordinator/Member for MBA-BM/HRM Placeme

### Committee 2021-2022

**Name:** Akash Anand

**Roll Number:** UH20067

**Statement of Purpose:** Ever since the day I attended the first CAS batch meet, it became my goal to join this committee if given an opportunity. In the next few weeks, I was among those few fortunate candidates to get that opportunity and later became a proud Shadow member of this committee. Under the expert guidance of the core members, I learned and executed a lot of tasks during my 4 months (approx.) tenure as a CAS shadow which mainly included Research Tasks and helping in the placement processes both SIP as well as Finals. Carrying out these tasks, often simultaneously, taught me the time management skills and also helped me develop the ability to process the rigour of multitasking. It has given me the required confidence and prepared me to take on even bigger roles and challenges thus encouraging me to apply for the post of Coordinator of this Placement Committee for the year 2021-2022. I am sure that the abilities acquired during my tenure as a CAS shadow clubbed with the guidance of the core members and support of my peers would prove to be really helpful for me in order to carry out this huge responsibility efficiently.
