

Application for post of Coordinator/Member for MBA-BM/HRM Placement

Committee 2021-2022

Name: Asmit Gautam

Roll Number: UM20322

Statement of Purpose:

Placements are a vital component and are one of the paramount factors when it comes to deciding the ranking of the college and the legacy the college would carry in the industry. I was actively involved in the training and placement activities during my under-graduation. In line with the qualities that a placecommer must possess, I am dedicated, decisive, resilient, selfless, & apathic. My professional experience of around 4 years in the corporate industry has aided me to gain a good amount of knowledge, awareness about the nitty-gritty of how industry functions as a whole and deal tough situations with grit and maturity. Also working dedicatedly as a shadow member for the CAS team of XIMB helped me gain insights in functioning of CAS and developed a deep sense of responsibility and passion that fuels CAS to work for the batch. I firmly believe I will be able to do justice with my responsibilities. My sole motive will be to work selflessly for the batch and in tandem with my team for the placements at XIMB. Using my industry experience and motivation, I would successfully be able to carry forward the legacy that our previous coordinators have established at XIMB.
