

Application for post of Coordinator/Member for MBA-BM/HRM Placemen

Committee 2021-2022

Name: Bibek Pradhan

Roll Number: UM20200

Statement of Purpose:

Our NETWORK is our NETWORTH. This has been an indispensable motive in my life. Being part of numerous teams and committees in my academic career has helped in moulding me into an effective team player as well as developing strong interpersonal skills over time. I have always leveraged these qualities as my USP in building, sustaining, and increasing my network base constantly.

I have always taken pride in understanding people and solving their problems logically and hence 3.5 years of rich consulting experience has further instilled in me a greater sense of maturity and humility which was leveraged during my service to my batchmates in the shadow period. I wish to continue the same service for the people of XIMB.

Finally, I believe that I have the determination to go the extra mile and solve problems by virtue of hard work and sheer will. I wish to leverage this trait along with my industry connections in building a greater brand for XIMB ultimately resulting in a successful placement season for the people of XIMB.
