

Application for post of Coordinator/Member for MBA-BM/HRM Placemen

Committee 2021-2022

Name: Priya Sharma

Roll Number: UM20282

Statement of Purpose:

I am a BBA graduate specialized in Marketing. My admiration for the capabilities of a manager led me to pursue a Master in Business Administration (MBA) at XIMB, a premier B-school in the country. I believe in constantly upgrading myself and keeping myself competent and motivated. With time I have developed a habit of looking at a particular situation from different perspectives and then coming at a conclusion. I have served as a House Captain in my school during which I have learned to be sensitive towards my environment and those around me and to help them succeed. I do not hesitate to learn from my peers or to share my knowledge with them. These qualities have helped me to become a resilient and determined personality. What defines me is my motivation towards accomplishment and the spirit of not giving up, which enables me to outgrow even the stiffest hurdles. As a Member of the Placement Committee, I look forward to work in the best interest of XIMB and to add value to the Placement committee.
