

**Application for post of Member for MBA-BM/HRM Placement Committee**

**2021-2022**

**Name: Tapasya Pattnaik**

**Roll Number: UM20240**

**Statement of Purpose:**

*"Responsibility finds a way. Irresponsibility finds excuses."*

From my early days, I have taken full ownership of things that I am responsible for and getting it done to the best of my abilities.

My previous job taught me to be a team player and to take ownership of every job done under my responsibility. For me, the team here is the whole of XIMB, and I can say beyond any doubt that I would be there for my team no matter what the situation is.

I believe in the lines of our committee's principles "Acta Non-Verba".

As a CAS shadow, I learnt how to perform tasks under pressure keeping the quality uncompromisable. I believe this job requires not just strict adherence to policies but an agile approach to any circumstances as well. My decisions shall be in tandem with stakeholder's situation and cooperate accordingly to ensure the reputation of the committee and our university stays intact, so that, we get reckoned as one of the most disciplined and professional students across the country.
