

**Application for post of Member for MBA-BM/HRM Placement**

**Committee 2021-2022**

**Name: Sanyukta Phatke**

**Roll Number: UM20061**

**Statement of Purpose:**

Hailing from a family based on strong values system, I have always been cognizant and conscious of others needs and strived to be just and fair in all my interactions. Having stayed in hostel since class 2, I have trained myself to keep tabs on multiple things on my end, be emphatic to others, strived to make people smile in our own secluded world staying away from our loved ones at such an early age. It helped me build resilience at same time cemented my decision-making skills. In my professional experience while working with Accenture and BYJUS's; I have interfaced with the client, mentored cross team resources, led teams which helped me build on my professional acumen and expertise. My motivation to join CAS stems from by drive to contribute in an effort to help others achieve their goals by leveraging my professional experience, mannerism, skills and connects. The onus of responsibility and consciousness towards one's duties holds vital importance for CAS and I would deliver that to the best of my ability. I will maintain the integrity of CAS and be true to the purpose of its commitments.
