

## **Application for post of Member for MBA-HRM Placement**

### **Committee 2021-2022**

**Name:** Aakarshan Raj

**Roll Number:** UH20001

#### **Statement of Purpose:**

One of the most eminent committee of any college is the Placement Committee which brings in many opportunities to acquire different adroitness, competency and networking opportunities. Being a position of responsibility, it imbibes an individual with management and leadership skills which a person carries with himself throughout its life. It's a platform which brings a plethora of opportunities to learn and grow across horizons.

Since my college life and throughout my professional career I got the opportunity to serve multiple roles of responsibilities giving me the exposure to handle pressure situations, client negotiations, team management and effective communication to bring the best results for my team. Having a pragmatic approach towards different tasks and deliverables I always had an unbiased result in the workaround. Dealing with diversified employees of different designations and departments throughout my corporate life of 4+ years have given me an exposure to interact with them and achieve favourable end results. I believe that I can best achieve my potential and utilise my skills while taking up the roles and responsibilities as expected of a CAS member. There are challenges to come and I am eager to hone my edge during my tenure there.
