

Application for post of Coordinator for MBA- HRM Placement

Committee 2021-2022

Name: Anjali Varindani

Roll Number: UH20009

Statement of Purpose:

I come with 4 years of experience in the recruitment & executive search field where I have had an opportunity to network with multiple industry professionals and HR's. My role was target driven and involved adherence to stringent timelines. During my tenure, I led key client deliverables and built a strong network with C-Suite candidates.

I have been a multitasker throughout my life, and have held various leadership positions during my undergrad managing diverse team and activities.

Perseverance, commitment and diligence are skills that I strongly possess.

As a shadow member, I managed to have a glimpse of the toil that goes behind getting a corporate on campus and I trust that I can leverage my experience & skills to be an asset for the committee.

I strongly believe that, my attitude of putting my team before me, sheer commitment and the determination to chase what I set myself up for, would surely add value to cause of the committee and benefit the students.
