

Application for post of Coordinator/Member for MBA-BM/HRM Placement

Committee 2021-2022

Name: Siddharth Mishra

Roll Number: UM20229

Statement of Purpose:

Placements form the bedrock of any Business School. But that feat is achieved by the sheer hard work of a team which delivers with utmost sincerity and diligence. Right from the onset, I have inculcated the values of discipline, dedication and altruism. My rich experience over the years has instilled in me the notion of how compassion and perseverance can lead to a plethora of success stories.

I have always believed that for delivering beyond expectations, the team doesn't need a leader to lead them, they need a facilitator to walk with them. My four months of shadow membership with sheer diligence coupled with team dynamics is a testament to that belief. The multiple PORs that I have held right from my school days proves my dedication and leadership skills. The journey from online to offline is difficult, but I believe with my people skills I can drive this team towards the vision we have for XIMB.

I recognize the responsibilities of being a coordinator and will ensure that the sanctity of this team and this prestigious institution is upheld with utmost integrity. Growth and evolution are a never-ending process and we can only get better with sustained perseverance.
