

Application for post of Coordinator/Member for MBA-BM/HRM Placemen

Committee 2021-2022

Name: Dhairya Asthana

Roll Number: UH20102

Statement of Purpose:

I want to join the Placement Committee because it is the role with the greatest number of responsibilities, which in effect gives the most exposure and opportunities to learn. Interacting with various HR's of Companies, I'll get to learn how communication works in the Corporate world and also facing lot of criticism will make me resilient. Being an XIMB student I will always be indebted for being selected and in return would like to work for the college and get the best possible placements for the students. I can contribute to the Placement Committee as I have developed a drive to excel, and have set myself goals which include working to the best of my abilities and keep pushing on. Building relations with people is one of the most important skill needed, and I will try to develop and maintain good relations with Companies. I will strive to be a better team player; I would be able to contribute by maintaining a good rapport with other members. I have a changed perspective on how actively I want to get involved with activities and now I am fully dedicated to being highly involved, so my commitment to the Placement Committee would be the highest.
